

## How to subscribe to a vehicle:

- 1
 Use any of the search or filter options to locate a vehicle; or use the barcode scanner if you are with the vehicle. When the vehicle is in view, open Vehicle Details. Select Subscribe.
  
- 2
 In Asset Subscription window, use radio dial to select All zones (get alert when the asset passes into any zone) or Specific zones to choose specific zone(s). Make one or multiple zone choices. Choose Apply when complete.
  
- 3
 Input time parameters and select days of the week (or leave set to all days). Place a checkmark next to either or both the SMS or/and email address to which the alerts should be sent.
 

*Note: Delivery method will not be available if the information has not been set up in the user profile.*
